The Student Life Office

August 2008

Dear Student:

The College is pleased to continue its availability of a student insurance plan. The complications of unavoidable accidents and illnesses can impose financial burdens and possibly interfere with a student's ability to continue his or her education.

The College urges you to examine the enclosed brochure and to give serious consideration to the purchase of this insurance plan. Student insurance is available to all students. The College's plan, underwritten by Monumental Life Insurance Company, provides coverage up to \$25,000 for each accident and/or sickness. The newly improved insurance program includes a broad schedule of benefits which are covered under the sickness portion of the plan.

We recommend that students take advantage of this voluntary opportunity to enroll in this low cost, comprehensive plan. Simply complete the application and return it with your check to Bollinger, Inc., 101 JFK Parkway, Short Hills, NJ 07078. To minimize costs, you will not receive an acknowledgement from the company. Your canceled check will serve as your receipt. Your insurance I.D. Card can be removed from your brochure. Claim forms are available in the Student Life Office, Charles E. Rollins Center, Room 12. You can also access a claim form from our website:

www.BollingerColleges.com/bucks where you can find a copy of the Student Accident & Sickness brochure and a series of Frequently Asked Questions and Answers.

IMPORTANT!

The open enrollment period for annual coverage expires October 15, 2008. Applications must be postmarked by this date to receive coverage.

Sincerely,
Matt Cipriano
Director of Student Life Programs
