

July 2011

To Students and Parents,

Enclosed is information about the student health program offering for EMU students for 2011-2012. The plan is available to students taking at least 6 credit hours each semester. Health insurance is an EMU requirement for international students and for students who participate in a varsity sport or in a cross-cultural seminar. EMU strongly encourages other students to consider enrolling in the program.

Please complete the enclosed waiver card if you are covered under another policy. **If we do not receive a waiver card from you, your student account will be charged for the health insurance plan.** The mandatory waiver card allows the plan to be offered at a lower premium cost than would be possible without that requirement.

Please review the enclosed brochure to see if this plan is right for you. Should you have any questions, you may call Bollinger, Inc. at 1-866-267-0092, or visit us on the web at [www.BollingerColleges.com/EMU](http://www.BollingerColleges.com/EMU). If you wish to enroll in the plan, complete the application and forward it to Bollinger, Inc. with your payment. All waiver cards and applications must be received no later than September 20, 2011.

We hope that the remainder of your summer vacation is pleasant, and we look forward to seeing you on campus in a few weeks.

Sincerely,

Lisa B. Crist
