All full-time and qualifying part-time undergraduate and graduate students maintaining at least 3 credits or more and working towards a degree or in a recognized school program are eligible.

ENROLLMENT AND WAIVER PROCEDURE

Eligible students will be automatically insured and charged for the Injury Plan along with tuition and fees. In addition, eligible students will be automatically insured and charged for the Sickness Plan at an annual cost per student of \$415. However, students who are already covered under comparable coverage may waive out of the Sickness Plan and have that charge deleted from their college bill. This may be accomplished by completing the following steps:

1. Access the Student Injury & Sickness Insurance Plan website at: www.BollingerColleges.com/Burlington.
2. Go to the [Request a Waiver](#) link and follow the instructions carefully.

3. Once you have completed all steps in the Request a Waiver link, please print out the confirmation page or write down the confirmation number provided.
4. The online waiver must be completed by October 1, 2012 for the fall semester and February 5, 2013 for the spring semester. After this date you will not be eligible to waive insurance or have this charge deleted from your college bill.

PREFERRED PROVIDER NETWORK

Bollinger, Inc. has arranged for you to access a Preferred Provider Network in your local community. Acute care facilities and mental health networks are available nationally, if you require hospitalization outside the immediate area of the Burlington College campus.

The Burlington College Student Injury and Sickness Insurance Plan for the 2012-2013 Policy Year has a Preferred Provider Organization network. To maximize your savings and reduce your out-of-pocket expense, select a Preferred Provider. It is to your advantage to utilize a Preferred Provider because significant savings can be achieved from the substantially lower rates these providers have agreed to accept as payment for their services.

Non-Preferred Providers are subject to Usual and Customary Charge (U&C) maximums. Any charges in excess of the U&C Charge are not covered under the Plan.

The payment of any applicable Deductibles, the balance of any Coinsurance amount, and any medical expenses not covered are the responsibility of the Covered Person.

Preferred Providers are independent contractors and are neither employees nor agents of Burlington College, Bollinger, Inc., or Monumental Life Insurance Company. A complete listing of Preferred Providers may be obtained by accessing the Internet at:

www.BollingerColleges.com/burlington
