June, 2012

Dear Student:

The State of New Jersey now requires health insurance coverage for all full-time students (12 credits or more). All Cumberland County Students will be required to purchase health insurance through the college or verify that they are covered under another insurance plan. Students covered under other plans will be required to sign a waiver form.

Full academic year coverage (June 2012 to June 2013) will cost you \$100.00. Full-time students enrolling in the Spring 2013 semester will be subject to an insurance premium of \$75.00 which covers the period beginning the January 2013 semester to June 30, 2012.

Please note that even if you currently have health insurance, this policy is an excellent buy. Most policies do not pay all bills in full, as there may be deductibles and co-insurance percentage limits. The policy pays regardless of other coverage you have, therefore, it can help you reduce or eliminate the deductibles or co-insurance on your present policy. We therefore urge all students to give this policy serious consideration even if you are currently covered by other medical insurance.

Should you have any questions regarding the insurance plan, please contact Bollinger at 1-866-267-0092.
