Dear Students and Families:

Maintaining good health is important for the successful completion of your studies at Sussex County College. No one can avoid occasional sickness or accidental injuries. Yet we can all prepare for the financial consequences of such occurrences and provide for the required medical care.

I am certain that you can see the clear advantage and excellent benefits of this program. On the other hand, I hope that you will never have to utilize the benefits available under this program.

Best wishes for a successful year!

Sincerely,

Mr. Harold Damato
Senior Vice President of Student Services

ELIGIBILITY

As a service to you, the College has contracted to provide all full-time students with Injury and Sickness medical insurance. The cost of \$63.00 per semester is included in your tuition billing and is to be paid along with your tuition. In fact, the State of New Jersey requires that every full-time student have Injury and Sickness insurance. The College's plan may be waived only if you demonstrate that you presently have adequate coverage. A waiver form is available on-line through My.sussex.edu or www.BollingerColleges.com/sussex. Students must waive on-line by September 25, 2011.

Even if you do currently have coverage, you may wish to purchase the College plan. The College plan pays claims without regard to other coverage, and if your plan has deductibles and co-insurances, your "out of pocket" expenses would be reduced by the benefits available through the College plan.

Coverage is in effect 24 hours a day. For students enrolled during the Fall Semester, coverage will be in effect from either September 1, 2011 or the date

of Premium Payment, whichever is later, until September 1, 2012. For students enrolled during the Spring Semester, coverage will be in effect from either January 1, 2012, or the date of Premium Payment, whichever is later, until September 1, 2012. The plan covers injuries sustained and sickness contracted and causing loss commencing during the coverage period. The policy expires September 1, 2012. (Please note that this policy cannot establish physician's fees, and therefore, cannot guarantee that payments made by the insurance company will cover all physician and surgeon charges in full.)

PREMIUM REFUND

Except for medical withdrawal due to a covered Injury or Sickness, any student withdrawing from school during the first 31 days of the period for which coverage is purchased will not be covered under the Policy and a full refund of the premium will be made. Students withdrawing after such 31 days will remain covered under the Policy for the full period for which premium has been paid, and no refund will be allowed.

A covered Person entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro-rata refund of premium will be made for such person, and any covered dependents, upon written request received by Bollinger, Inc. within 90 days of withdrawal from school.
